SPECIFICATION

Discover Supra Plus round slings [CMU 500kg - 8t], designed for highly responsible manoeuvres. Manufactured by SpanSet, this sling offers exceptional durability and strength, suitable for intensive work such as basket lifting, suspended loads and direct pulling. The Supra Plux X, with its reinforced textile cover, is more compact and resistant than ever, guaranteeing unrivalled performance. Choose SpanSet's legendary quality for all your lifting needs. The secret lies in the exceptional density and thickness of the cover, features unique to the manufacturing process. This tight-fitting design eliminates wrinkles, significantly increasing the life of the sling, making it a wise investment for long-term lifting operations.
