WHISPER CONNECT TERMINATOR
Réf. **WP40290350**

- Model : 40290350
- Color : Green

Dangerous material : non
Weight : 1,00 kg.

SPECIFICATION

MasterBus terminators are essential to ensure optimal, interference-free operation of your MasterBus network. Designed to avoid signal feedback, they ensure high communication throughput and smooth data transmission between the various network components. Ideal for maintaining the integrity of your system, these terminators are essential for any MasterBus installation, offering increased reliability and optimum performance.
