SPECIFICATION

The SB Mounting Kit is a convenient, lightweight, and cost-effective solution for safely storing the SB Rescue Sling Man Overboard Recovery Unit. The frame, handle, and telescopic boathook easily snap into the included clips and can be removed effortlessly. With no mechanical parts and stainless steel fixings, this kit is perfect for harsh marine conditions. A photoluminescent sign is included to help locate this vital lifesaving equipment in low-light conditions.

The kit includes :

- 3 frame clips
- 4 boathook & handle clips
- 14 stainless steel self-tapping screws
- 1 photoluminescent sign
