SPECIFICATION

A toilet with simple, clean lines that fits easily into any space.

- Standard height, floor installation
- Optimum size
- Quiet operation, 46 dB(A)
- Overlapping, unclipable seat, fall brake
- SFA shredding expertise
- Lift parameters: Vertical: 3 m / Horizontal: 30 m
- Non-return valve: Integrated
- Outlet diameter: 38 mm or 25 mm
- Motor power: 300 W (12 V), 360 W (24 V)
- Water consumption: 1.2 L to 2.4 L, depending on control system selected
- Weight : 23 kg

Control system to be added :

COMFORT electric switch:

- One rinse position
- One grinding/pumping position

The duration of each cycle is controlled by the user, without electronics, and adapts to their needs.

PREMIUM dual button:

- Two automatic cycles: Normal: 2.4 L / Eco: 1.2 L
- Dry bowl control by pressing and holding the large flush button
- Tank full indicator

For ease of installation, this system can be fitted directly to the toilet bowl (except Sanimarin 31).

LUXE control panel:

- Two automatic cycles: Normal: 2.4 L / Eco: 1.2 L
- Dry tank control for emptying in rough seas
- Tank Full indicator for full black water tank
