MG LFP 230 IP 25,6 V 304 Ah 7,8 KWh lithium-ion battery

Réf : **MGLFP240304**

Robust battery based on LiFePo4 technology, suitable for replacing existing lead-acid battery banks. The modules are highly compact and lightweight with high charge and discharge capacity. At the same time, the longer lifespan makes it the superior choice compared to traditional lead-acid batteries.
