SPECIFICATION

The **Worksafe Pro 150N** is a professional inflatable lifejacket offering **safety and comfort** for all maritime activities. Its **ergonomic design** and high-quality materials provide **optimal and durable buoyancy**.

Key features:

- **Buoyancy:** 150 N, single SOLAS-certified bladder in yellow PU-coated high-visibility fabric.
- **Comfort:** ergonomic polyester collar with flexible PU coating for maximum freedom of movement.
- **Safety:** front stainless steel buckle and D-ring harness.
- **Protection:** ultra-durable waterproof fabric, UV and mold-resistant.
- **Adjustment:** adjustable waist belt 55–175 cm.
- **Technology:** AIS-ready, Pro Sensor Elite automatic inflation.
- **Certification:** ISO 12402-3:2020.

The Worksafe Pro 150N combines **reliability, comfort, and visibility**, ensuring **immediate protection upon immersion**. Ideal for professional mariners and demanding recreational users.
