SPECIFICATION

The **Ocean Safety by Hero offshore liferafts** are engineered to deliver **performance, safety, and comfort** for voyages beyond 60 nautical miles. Designed to be **ultra-compact, robust, and highly visible**, they ensure **optimal stability**, even in extreme weather conditions. Their **high-performance inflation system** enables **rapid and reliable deployment**, operating efficiently between -15 °C and +65 °C. The range includes **4 to 12-person models**, available in bag or container.

Key features

- Ultra-fast automatic deployment
- XXL boarding platform with weighted step
- High-visibility fluorescent yellow grab handles and straps
- Interior and exterior lifelines
- Waterproof fluorescent yellow canopy for long-range visibility
- Durable rubber tubes and arches
- Integrated rainwater collector

- 12-year warranty, with inspections every 3 years

These liferafts combine **cutting-edge technology with maximum safety**, offering a **reliable solution for all offshore crossings**.
