Glamox CASA (M) H70B0 118HF 18 W 230 V – Silver reflector, 3h emergency (E3/S)

Réf : **10118113**

Premium recessed downlight engineered for demanding marine and offshore interior installations. Specifically built for B-0 fire-rated marine ceilings, this compact 18W fixture delivers reliable illumination with a high-finish silver reflector. Featuring an integrated emergency battery backup with a 3-hour runtime, it guarantees critical visibility along escape routes, corridors, and cabins in the event of a power outage.
