White polyester rope 3 strands - ø 10 m

Réf : **CP10100**

White 3-strand polyester rope is a versatile and durable product, ideal for use outdoors or in harsh conditions. It is made from high quality polyester fibres, which give it high resistance to tearing, abrasion and fading. The rope is also highly water resistant and does not deteriorate easily when exposed to moisture or weather.

SPECIFICATION

White 3-strand polyester rope is easy to handle and cut, making it a popular choice for many applications. It can be used for tying up heavy objects, towing loads, hoisting equipment, stretching lifelines or making nets. It is also often used in recreational activities such as sailing and climbing.

White 3-strand polyester rope is available in a wide range of diameters and lengths to suit all needs. It is also easy to maintain and can be cleaned with a damp cloth or mild soap. Finally, it is recommended that the rope be stored away from direct light and excessive heat to prolong its life.
