SPECIFICATION

Popular with boaters around the world, Bomar's Gray Series inspection hatches are distinguished by their durability and exceptional value. Designed to seal and protect critical boat components.

Features include injection-molded UV polypropylene construction, low profile, non-slip surface, stainless steel hinge pins, T-handles for ease of use, double seal for maximum watertightness, and a range of sizes from 7 inches to 27 inches. Available in black, stark white and off-white, with upgrade options in commercial-grade cast aluminum.
