Réf. **CTK139E**

- External diameter : 139.7 mm
- Material : Stainless steel 316

**Dangerous material :** non
**Weight :**

## SPECIFICATION

By simply butting two pipes together and connecting with a Teekay Pipe Coupling, space, weight, time and cost saving are achieved with every installation.

The Teekay Axilock has two metallic anchor rings that dig into the pipe wall when the coupling is installed. This prevents the two pipes from pushing apart under pressure or pulling away under end-load.
