Catalog page : 225

- Production capacity : 180 L/H
- Consumption : 2.2 kW
- Frequency : 50 Hz
- Model : Aruba 180 Premium
- Weight : 75 kg

SPECIFICATION

- Digital control screen
- Automated operation
- Automatic pressure regulation by variator
- Programmable production cycles

Thanks to its User-Friendly menu, it will enable the programming of the machine, but also:

- To regulate automatically the pressure depending of the water characteristics.
- To schedule the number of liters of fresh water to produce.
- To start automatically depending on the water's level in the fresh water tank.
- Automatic rinsing can be implemented, and can be used periodically.

For installation in less accessible areas, a kit delivery version is available on request.
