

Busbar insulated studs WP-MDC WhisperPower M10 x5

Réf : **WP50212012**

The WP-MDC Modular high current busbars are used to distribute high DC currents to a number of connected cables or other DC Modular family members. The solid and compact design, as well as the possibility to link up multiple busbars on a fixed grid, make these products the best choice for all professional DC power systems. The high current busbars are available with M8 or M10 stud sizes.
