SPECIFICATION

Has all the essentials of the Aqua-base YC in a more compact and modern design. A very simple and easy to use watermaker in all circumstances.On the front of the Aruba Comfort, we find the high pressure and low pressure gauges, the flowmeter, clearly identifiable buttons to easily switch to automatic rinsing mode or even start the backwashing of the sand filter available as an option, and a pressure adjustement valve positioned to be easily accessible.

For installation in less accessible areas, a **kit delivery version** is **available on request.**
