SPECIFICATION

Lightweight and compact, this IP67-rated waterproof device provides exceptional durability. It boasts low power consumption while offering a 2 nautical mile range. Crafted from UV-treated PC and ASA, it complies with the European Directive 2014/90/EU and holds the WHEELMARK 60427/A0 MED certification, all while maintaining the integrity of AIS and VHF signals. Operating on a regulated power supply between 10 and 30 VDC, it meets the highest standards for quality and durability.
