## CARACTERISTICS

### COUNTERPART WITH SCREEN FOR PLANUS 32 DECK HATCH

Réf. **VEHCM32**

**Dangerous material :** non
**Weight :** 1,16 kg.

- Thickness : 10 mm
- Model : Planus 32
- Bend radius : 75 mm
- Color : White
- Material : PVC

## SPECIFICATION

The synthetic trim in white is created to conceal the gap between the hatch and the interior headlining of the boat. The flange depth is adjustable, allowing easy customization to fit any deck thickness up to 40-64 mm. The integrated and hinged mosquito screen, which is easily removable, simplifies cleaning and provides thorough protection against unwanted insects.
