SPECIFICATION

Orchid is an AISI stainless steel vertical windlass available in two versions: high and low, with different motorizations. It is recommended for boats up to 22 meters in length.

The Orchid windlass accommodates 8 mm, 10 mm and 12 mm chain, and features an integrated chain counter sensor. Choose from a range of motorizations, including 12V, 24V, 230V, 400V or hydraulic.

What's more, it's compatible with a 12 mm chain rope system, which can also be used with 18 mm or 19 mm 3 strand rope.
